# Our future plans

Our Charity is growing in strength and we have ambitious aspirations for the future. We have significantly increased our expenditure, and we have also raised funds to support major projects in the years ahead – to increase impact for the benefit of staff and patients.

## In the year ahead we aim to:

- **Prepare to celebrate** the 250th anniversary of the Norfolk & Norwich Hospital's opening (1772-2022)
- **Build and open a new Charity café** at Cromer Hospital, to provide an enhanced and expanded service for patients, public and staff
- **Open a new staff training facility** on the NNUH site
- **Complete the Boudicca Breast Unit**, to provide a one-stop service for patients with suspected cancer
- **Launch a new £2.5m fundraising appeal** for a new cardiac MRI scanner
- **Develop ongoing appeals** for Cromer Hospital, maternity and our Colney Centre oncology service as a lasting legacy for the N&N's 250th anniversary celebrations
- **Develop public facing accommodation** for the Charity on the NNUH site, to improve access to the Charity Team and enable contact with patients, visitors and staff
- **Continue to provide funding for:**
  - New, improved and additional life-saving technology
  - Educational support for staff
  - Improved facilities and environment for patients
  - Support research and innovation
- **Provide additional support for our Trust's NHS staff** to aid their recovery from the effects of the global Covid-19 pandemic.

# A year like no other

**This year the Charity has approved another £2.7m in grant awards, to support our hospitals and staff – all to the benefit of patients.**

Through the generosity of grateful patients, families, local businesses and community groups, we have been able to support great projects making a real difference, including:

- Hand-held ultrasound scanners for community midwives
- Cool water fountains for staff and patients
- Scholarships for Nursing Degree Apprentices
- Enhanced dialysis equipment for the Norfolk & Norwich Kidney Centre
- Development of a Charity café at Cromer Hospital
- Refurbishing the Boudicca Breast Unit
- Funding a Research Fellow in Cardiology
- Remote monitors for the Maternity Unit

- Creation of a new staff rest area near Brundall Ward
- Augmented reality equipment for 3D modelling in Interventional Radiology
- An electronic referral system for Chemotherapy patients
- Portable analysers for Community Midwives to detect jaundice in newborn babies
- A new annual award for Healthcare Scientists
- Cards for Chaplains to give to bereaved families
- New furniture in the Pain Management Centre
- And so much more!

**To all our donors, to those who have remembered us in their wills, to the businesses and groups who have donated money and physical gifts, to everyone who has made all this possible...**

# THANK YOU!

To everyone who has  
helped us we again say a big

# THANK YOU!

We are only able to support our hospitals, patients and staff with the generous help of our donors, who run long distances, abseil down buildings, run fundraising events, leave us a legacy in their wills, or simply make a donation to say thank you for the excellent care they have received in one of the Trust's hospitals.

**Legacy gifts have funded almost 1 in 2 of the grants we have been able to provide over the last four years, so we are especially grateful for legacy donations received during the year from:**
